1. Welcome and Introductions: PTO meeting was called to order at 6:08 pm by Tessa Johnson
2. Spirit Wear: Orders were submitted. Large orders can be picked up at the holiday concert. Spring 2016 orders brought in \$175. This time, winter 2016 orders will bring in roughly \$150. The PTO is considering new color options next year. Great visibility for our school.
3. Yankee Candle Fundraiser (spring fundraiser): This fundraiser typically does well and we can have large pick ups available for the school play timeframe to expedite the process of families picking up their orders.
4. Family Movie Night: Volunteers are needed for clean up following the movie. Use SignUp.com. Reminders about food in the gym, intermission. Possible new idea for voting: parents vote through Facebook and students vote at school. Rick would like to see more likes on the DBS Facebook page.
