Why join the DBS Parent Teacher Organization?

The number one reason to join the PTO is to benefit your child. In doing so, you also help your school. There are many more PTO advantages:

- **Get Connected.** There's no better way to know what's happening in your school.
- **Tap Into a Network.** PTO functions are opportunities to meet other parents and teachers, building rapport and discussing issues that are on your mind. You can share ideas, concerns, and experiences.
- **Speak Up.** PTO can be a way for you to more effectively suggest change at your child's school.
- **Witness Improvement.** By getting involved at your child's school you'll be part of the solution, helping make positive changes. The PTO plays an important role in fundraising to provide help for curriculum-based programs and social events.
- **Be a Role Model.** By becoming a PTO member, you'll be demonstrating to your child the importance you place on education.
